On 09 May 2006, you filed in the United States Patent and Trademark Office (USPTO) papers requesting entry into the national phase of international application PCT/GB04/04740, filed 10 November 2004. The inventor is indicated as Rajiv Nayar et al. Your attorney docket number is 39042-0037. The submission has been assigned U.S. application number 10/578,692.

A different attorney has filed separate papers requesting entry into the national phase of international application PCT/GB04/04740. There can only be one U.S. national stage application for a given PCT international application. Thus, the filing of two national stage applications is improper.

Failure to submit a timely and proper response will result in the abandonment of this application. Extensions of time may be obtained under 37 CFR 1.136(a).

Please direct further correspondence with respect to this matter to the Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
